From Commodore Dwight Geisler

I would like to thank everybody who came to the installation dinner, it was a night to remember; for me anyway. Food was great and the entertainment was, well a challenge to say the least. A special thank you to Greg and Christine for the fish, John and Carol for the great dinner, Bill and Julie Nelsen, and my wife Pat for putting this whole thing together. We also had a great crew of people helping setup and take down. Vicki & Riggs Jessen, Bill & Margo Kerkman, Lisa Floyd, Laurie Merlo, Mark Hetland, Nancy Nielsen and her bar staff Jamie Eickhorst, and Dave Jaeck. I think everybody had a great time.

Just to say something special, there were a lot of longtime members who have never been to a function like this, and for some newer members this also was their first. I feel honored that you were there for me, thank you.

December, January, February are behind us—spring is just a little bit off yet.

If you have not been down to the club lately, you would be missing the change. The club is already going through the remodeling faze, please don't complain about the mess.

Our new membership cards are done, and the drink coupons are ready to go. Take note it is really different, the new cards are time sensitive, date, time, year. This is also for security. If this letter makes it out in time, dues paying party Saturday the 25th. Let's get these dues paid, old cards will not work March 1st, and you will not be a member in good standing.

March events, Saturday 4th Thoughts for food, Friday 17th St. Patty's Day, Mean Jake is the band, Tuesday 21st taco night, Friday 25th Painters Torsk dinner. We look forward to seeing everybody there. If you would like to help let Nancy or I know, help is always appreciated.

Take note, a lot of things are going to be changing, and sometimes it takes a little bit longer to complete things, just give it some time.

Thank You.
Dwight
